DECLARATION ACCOMPANYING PETITION TO MAKE SPECIAL

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

I, Rebecca L. Ball, attorney for Applicants in the above-captioned application,
hereby declare as follows.

I am an associate in the law firm of Barnes & Thornburg. I am responsible for
prosecution of the captioned application.

I prepared the captioned application, and in connection with that work, I have
familiarized myself with the subject technology. The invention contributes to the treatment and

prevention of cancer. The ligand-immunogen conjugates of the invention bind to pathogenic cells, such as cancer cells, and target the pathogenic cells for destruction by the host's immune system.

Dated: March 30, 2001
